

Appl. No. 10/650,614
Amdt. Dated September 26, 2005
Reply to Office Action of May 4, 2005

Docket No. IS01320AP
Customer No. 22917

REMARKS

Claims 2-9, and 15-23 are pending in the application.

Claims 1 and 14 are rejected under 35 U.S.C. 102(e) as being anticipated by Raichle, et al. (US 2004/0124870). Claims 1, 2, 9, 10, 14 and 20 are rejected under 35 U.S.C. 103(a) as being unpatentable over Mir, et al. (USPN 6,392,418) in view of Raichle (US 2004/0124870). The Applicants have canceled claims 1, 10, and 14.

Claims 3-8, 11-13, 15-19 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. The Applicants have rewritten claims 3-8 and 15-19 in independent form including all f the limitations of the base claim and any intervening claims.

Since claims 3 and 15 are believed to be allowable, claims 2, 9 and 20 depending therefrom contain the limitations of these allowable claims and merely recite additional limitations that should not preclude patentablility.

No amendment made was for the purpose of narrowing the scope of any claim.

The Applicants believe that the subject application, as amended, is in condition for allowance. Such action is earnestly solicited by the Applicants.

In the event that the Examiner deems the present application non-allowable, it is requested that the Examiner telephone the Applicants' attorney at the number indicated below so that the prosecution of the present case may be advanced by the clarification of any continuing rejection.

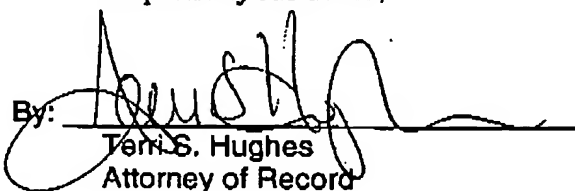

Please charge any fees that may be due to Deposit Account 502117, Motorola, Inc.
